THE WORLDS OF PIONEER ANIMATION

©1992, 1993, 1994, 1995 PIONEER LDC, INC.

Pioneer Animation

A fun, new face from a familiar name

Anime is Hot! Japanese Animation (also called Anime) is surging in popularity. An eager, dedicated fan base provides a built-in market. The core Japanese Animation market is males 15-29 with above average incomes, who spend an average of $100 per month on Anime and Anime-related merchandise! Exotic style and techno-savvy puts Pioneer Entertainment's Japanese Animation firmly on the cutting edge.

A name you can trust. Popularity has brought a tidal wave of Japanese Animation into the U.S. and Pioneer Entertainment, prime distributor of Laserdisc, the standard for high-end video has quickly become recognized as the high-end producer at the crest of the Anime wave.

The Anime of choice. Pioneer is the only producer to offer Japanese animation on Laserdisc, VHS English-Dubbed and VHS English-Subtitled formats. Our Laserdisc releases feature both Japanese & English soundtracks, and a closed captioned sub-titling option. VHS-Subtitled versions feature deluxe inserts in clamshell packaging which appeal to the hard-core Anime fan. Our English Dubbed versions are recognized as having the highest production values you'll find and are attractively priced to appeal to young customers looking for new entertainment.

Powerful Promotions

- Proof of Purchase Redemption Program.
- Pioneer Animation Club (PAC de America) and the quarterly "PAC de America" newsletter, free to all consumers.

Pioneer Animation makes a PAC contribution

...to its fans! with P Anime Proof-of-Purchase Giveaways, the Pioneer Animation Club and the "PAC de America" Newsletter.

P Anime Proof of Purchase Giveaways

Pioneer Animation fans can receive valuable items, from T-shirts to mouse pads by redeeming proof of purchase stickers from videocassettes and laserdiscs. Fulfillment is through Pioneer or individual dealers.

PAC De America newsletter

The first issue of our fan club newsletter went out in December '95 to more than 6,000 eager P Anime fans, and the list is growing all the time. With cast & creator interviews, convention updates, custom character sketches, fan mail, new release news, and fan contests, the PAC De America newsletter is maintains the loyal core fan base important to all of us.

Order your Pioneer Anime here!

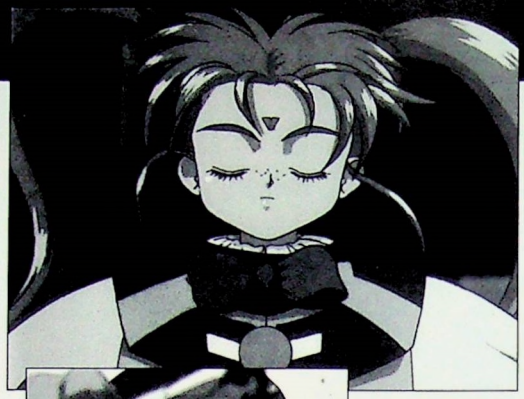
TENCHI MUYO! TV



STORY LINE:

26 fun-filled half-hour episodes!

So you think you know Japanese Animation (yeah, yeah, big robots...yeah, yeah, ninjas) BZZZZZZZZZ. Back up, Jim, and then zoom in on what *Flux Magazine* calls, "the most clever and side-splittingly hilarious series available today."

Tenchi is a normal lad growing up in the Japanese countryside (his family having no doubt moved there to spare him the periodic monster-bashings so common to Japanese urban living). Until, of course, the inevitable happens and aliens crash in his front yard. Not just any aliens: alien girls; alien *teen-aged* girls. Aside from the lasers and spaceships, alien teen-agers are a lot like their Earthling counterparts. Within the first two episodes, they manage to destroy about a zillion bucks worth of fancy space hardware and strand themselves on Earth, thereupon deciding Tenchi's unusually small hair makes him the George Clooney of the Japanese animation set. They set up bivouac in Tenchi's house, each claiming him as her own personal stud-muffin. Tenchi's dad figures teens from space are only slightly stranger than teens in general, and heck, maybe it'll make a man out of the boy.

Sitcom? Sci-fi? Fantasy? Romance? Yes! Based on the popular videos, the **Tenchi TV** series is a hit in Japan and eagerly anticipated by Anime fans across the US. So check out **Tenchi Muyo!** and find out that P Anime doesn't just take you to a whole new world, — they bring IT to YOU.

•Laserdisc: Bilingual (Digital - English, Analog - Japanese), Closed Captioned.
•Deluxe inserts included in laserdisc and sub-titled VHS.

The Art of Entertainment

ARMITAGE III

STORY LINE:

Mars 2046: The first robots were mere gadgets. The "Seconds" were more sophisticated, with the faces of young girls, the bodies of fully developed women and convenient "off" switches on their heads. Now it looks as though there are new kids in town. "Thirds," are stronger, sexier, even more sophisticated, but wired with something most don't want in a slave or a sex toy: a brain and a heart. They were supposed to be a secret, until they began showing up dead, murdered, by a hate-spewing lunatic who could set all Mars on a course for self-destruction.

On the case are a reluctant Detective Ross Sylibus, a transfer from Chicago and his new, young, Martian-born partner Armitage, a dream and a nightmare wrapped in a leather halter. She has a body to die for, the face of a young girl and a secret that if discovered, could get her killed. But this doll is no toy - she is both the hunted and the hunter.

- **Laserdisc: Bilingual (Digital - English, Analog - Japanese), Closed Captioned.**
- **Deluxe inserts included in laserdisc and sub-titled VHS.**

EL-HAZARD
The Magnificent World

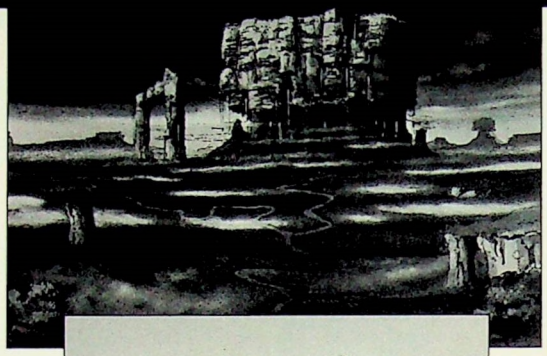
STORY LINE:

The award-winning artists who brought you **Tenchi Muyo!** have created a world as bizarre and yet familiar as you've ever dared visit. Inhabit the darkly fabulous city of Roshtaria, meet the enchanting and deadly priestesses of Mount Muldoon, experience a desperate struggle for the Eye of God between human inhabitants and the relentless insectoid Bugrom. You'll laugh, you'll cry, you'll itch and you'll scratch. You'll come away from this world knowing a little more about your own.

Now a popular television series in Japan, **El Hazard** has action, characters and charm your customers will be bugging you for. Stock up now, because you wouldn't want those sales to be just...a fairy tale.



•Laserdisc: Bilingual (Digital - English, Analog - Japanese), Closed Captioned.

GREEN LEGEND RAN
THE MEANINGS OF LIFE
ONE BOY'S QUEST, IN A SHATTERED WORLD, FOR SURVIVAL, FOR FREEDOM, FOR LOVE, FOR CHANGE.
PIONEER
The Art of Entertainment

GREEN LEGEND RAN

STORY LINE:

Long ago, when sea, sky and land were ravaged by pollution, the mysterious, gigantic beings known as Rodo descended from space, destroying the cities and taking control of scarce remaining resources.

Three generations later, only the oldest remember a time when water fell freely from the sky. To the children, like the orphaned Ran, words have different meanings. Earth is burnt and lifeless, rain a dream of old women. Man is a desperate horde clinging to the ruins of ancient cities. Life is pain.

Ran doesn't believe his grandmother's ramblings about a green and pleasant world. But he does burn with anger against the tyrannical Rodoist theocracy. Defying his family, he leaves home to join rebellion forces. In his travels, Ran learns new words: courage, loyalty, and love. He learns the secrets of his own identity and of the mysterious Rodo themselves. And in the end, he finds new meaning for life.

Boxed Set! Because of its unique and powerful appeal, Pioneer has made **Green Legend Ran** available as a limited edition deluxe boxed set which includes a **Ran** T-shirt, color post cards and a 20-page book of production background info.

•Laserdisc: Bilingual (Digital - English, Analog - Japanese), Closed Captioned.
•Deluxe inserts included in laserdisc and sub-titled VHS.

HYPERDOLL

STORY LINE:

From the tortured howl of a shattered future gone wrong: two grim and blood-thirsty hellions of slashing savagery. . .NOT!

IT'S MEW & MICA! HA! Hyper-cute, hyper-happy. High school girls who have a secret: they're aliens!

Summer at the pool. Happy, happy day. Oh no, a jellyfish-man! A locust-man, too! Who can save us? Just the Hyper Dolls! Oh no! They're eating hamburgers. "You're fat!" "No, you're fat!" And pizza too? No, this must be their angry boss, and he's a glob of goo. "Hyper Dolls, get the monsters now!"

Whew! Thanks Mew. Thanks Mica. Now, everyone is living happily ever after again. Until. . .

Fly into Pioneer's romp through silliness and 70's style.

HYPERDOLL: get it, and you'll get it. Kiss, kiss.

•Laserdisc: Bilingual (Digital - English, Analog - Japanese), Closed Captioned.
•Deluxe inserts included in laserdisc and sub-titled VHS.

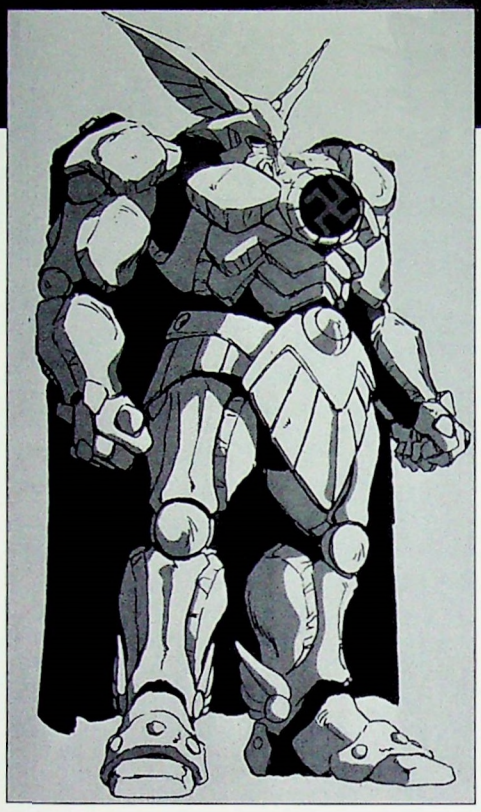
KISHIN CORPS



STORY LINE:

Seven episodes on four videocassettes or laserdiscs

". . .it lumbers forward ever so slowly, giving us time to measure the sheer size and weight of the machine as its heavy tread shakes the very Earth itself. Its long arms reach forward to the sound of grinding gears, while a small boy watches in wide-eyed wonder . . . as do we."

-ANIMERICA MAGAZINE

Kishin Corps is Pioneer's dramatic tale of international espionage, alien invaders and what might have been. WWII China: an elite force known only as the "Kishin Corps" struggle with Axis powers over a strange alien technology which enables the construction of immense mechanical humanoid devices possessing technology that could change the course of history itself. The impassioned struggle is waged under constant threat of the mysterious aliens who appear in a random and frightening storm of violence.

Realistic designs, brooding backgrounds, and a symphonic score recorded by a 74-piece orchestra with chorus combine to give **Kishin** drama and what **Animerica Magazine** called, "that very special kind of awe and wonder found at the heart of the very best old-time giant robot shows. . .the magic of the machine."

MOLDIVER

A Hero For Truth, Justice and the Proper Accessories.

The world of muscle-bound maxi-men and cranium enhanced techno-dweebs is about to get a makeover. Here comes Moldiver, the Gen "Seventeen" hero, only from Pioneer

PIONEER®
The Art of Entertainment

MOLDIVER

STORY LINE:

6 half-hour episodes

Moldiver's madness begins when exceptionally pathetic technology engineer Hiroshi Ozora creates the Molecular Diversion device which can bend the very laws of physics themselves. Many of us might waste such an invention on ending war or curing world hunger, but super-geek Hiroshi knows where the action is and uses his **Moldiver** to create his very own computer-generated Herculean crime-fighting physique. But when Hiroshi's mall-rat sister Mirai decides to give the suit some fashion sense, Hiroshi finds himself saving the world in silk stockings and open-toe pumps. Eventually, Hiroshi has no choice but to hand the **Moldiver** over to Mirai. And now the world had better get ready for a superhero who'd rather shop than fight.

•Laserdisc: Bilingual (Digital - English, Analog - Japanese), Closed Captioned.
•Deluxe inserts included in laserdisc and sub-titled VHS.

PHANTOM QUEST CORP.

THEY'RE WORKING THE GRAVEYARD SHIFT

PIONEER
The Art of Entertainment

PHANTOM QUEST CORP.

STORY LINE:

Meet the staff of **Phantom Quest Corp.**, the most powerful cadre of cabalists the world does not quite see. **PQC's** beautiful President and CEO, Ayaka Kisagi, has rounded up the most talented file of free-lance psychics, sorcerers and supernaturals around, turning a penchant for late nights into the cottage industry opportunity of an after-lifetime.

Each new episode unleashes another of **Phantom Quest Corp.'s** fascinating specialists, each unique and each the best there is. And if it sometimes seems easier for Ayaka to round up troublesome spirits than to put corporate chains on her own free-wheeling habits, remember that beneath the silk frocks and the killer figure are a heart and will of steel. So no matter what terrors the night can bring, Ayaka will make sure they get a kiss good night from **Phantom Quest**!

•Laserdisc: Bilingual (Digital - English, Analog - Japanese), Closed Captioned.
•Deluxe inserts included in laserdisc and sub-titled VHS.

天地無用!
Tenchi-Muyo!
Anime is hot!
So, if you've been thinking about Japanese Animation, start with the best: Pioneer & Tenchi!
• Pioneer's most successful series!
• Now a popular television series in Japan
• SPJA and ICON awards, including "Best OAV Series" & "Best Non-Human Character" (Ryo-Ohki, the cuddliest battleship in the universe)
• "One of the most clever and side-splittingly hilarious series available today."
-FLUX MAGAZINE
PIONEER
The Art of Entertainment

TENCHI-MUYO!

STORY LINE:

Tenchi is a typical teenage boy, fascinated by his grandfather's stories of the demons and monsters around their country home, but mainly occupied with things like school and keeping together a house for his bachelor father. But life is about to turn very atypical for Tenchi, when he finds out his grandfather's stories have substance and legends can come to life. Of course legends, and even demons, aren't always what you think they'll be, especially when they have a crush on you.

Through wild adventures with aliens, pirates and of course beautiful princesses, Tenchi discovers the secret of his own heritage and the incredible power that lies untapped within him, all along maintaining his mantra, "I can't believe this is happening to me! But even if Tenchi doesn't seem to enjoy it, you will!

•Laserdisc: Bilingual (Digital - English, Analog - Japanese), Closed Captioned.
•Deluxe insert included in laserdisc and sub-titled VHS.
